EXPERIENCE

Video Editing

Freelance

Video Editor (Freelance)

Jan 2024 - Nov 2024

- Provided professional video editing services for diverse clients, delivering high-quality, engaging visual content to enhance brand storytelling
- Edited and produced videos using **Adobe After Effects**, incorporating motion graphics, transitions, and visual effects.
- Designed engaging video layouts and animations aligned with client branding and project goals.
- Enhanced footage with color correction, audio balancing, and smooth transitions for a polished final output.
- Delivered optimized video formats for multiple platforms, ensuring compatibility and quality across devices.

PROJECTS

Coffee Shop Android App | Android Studio, Java, Kotlin, Firebase

- Built a coffee shop app from where coffee can be ordered
- Built an Android app with features including order customization, QR code payment, and product rating.
- Utilized Android layouts like RecyclerView, ConstraintLayout, and ScrollView to ensure a seamless UI.

Full-Stack MERN eCommerce Website | React.js, Tailwind CSS, Node.js, MongoDB

- Developed a responsive eCommerce platform using React JS, Node.js, Express, and MongoDB.
- Implemented user authentication with JWT, shopping cart, and order management features.
- Integrated Razorpay for secure online payments alongside Cash-on-Delivery.
- Built admin dashboard for product CRUD, order tracking, and user management.
- Deployed the project on Vercel (frontend) with backend hosted on Render, ensuring full-stack functionality.
- Implemented variant selection, product filtering/sorting, and real-time order updates.

PUBLICATION

Studies of Artificial Intelligence Applications of Drones — A Review Paper

IJCRT, 2024

International Journal of Creative Research Thoughts (IJCRT)

* **Authors:** Rupali Kumari, Pragathi, Preeti V. Uttur, Rashmitha, Prateek Rathod

* **Registration ID:** 275692 **ISSN:** 2320-2882

* A comprehensive review of AI-based drone applications in agriculture, surveillance, logistics, and disaster response.
